Strait Hits New

Consistency at an extremely high level of achievement is what separates the good from the great. In a brilliant career that has spanned nearly twenty years at the highest level, George Strait has amassed many milestones but they seemed to keep on coming. Recently, Strait was honored by the Recording Industry of America for achieving the peak of success only previously reached by Elvis Presley. Strait was presented a Plaque commemorating his 25th Platinum album. George Strait is not only the second Male Entertainer to ever reach the illustrious goal. Eleven of the 25 albums are multi-platinum (for two million or more copies sold). [n](#)

Anita's

As hot as it was in August and September, you would have thought the months would drag, but they have come and gone quickly. I'm sure that October and November will pass even quicker. When Labor Day arrives, we race to the end of the year begins. December 2000 will be here before you know it.

George has been very busy traveling and enjoying his well-deserved time off which is included a lot of fishing lately. When he is not doing that he is busy running his ranch. Considering the fact that he and the "Ace In The Hole Band" have traveled to several hundred different cities, performed well over a thousand concerts and covered more than 4 million miles, we think some time off is a small reward.

George's new MCA album, appropriately titled "George Strait," is in retail stores now and is hotter than a pistol. It seems redundant to say, but we really do feel that this is George's best album to date. We always wonder how he continues to get better and better each time. If you live in an area where it is hard to find the album, and we can't imagine where that would be, it is available in our new catalog as well as on the website at www.georgestrait.com

Yes, George will be appearing and performing at the CMA Awards Wednesday, Oct. 4th on CBS-TV, 8 p.m. EDT. He has been nominated in three (3) categories including "Entertainer of the Year," "Male Vocalist of the Year" and "Vocal Event of the Year" for his collaboration with Alan Jackson on the song "Murder on Music Row." That song was also nominated for "Song of the Year." Since the awards shows are in October and the newsletter leaves the mailing house at the end of September, we will have full coverage of the show in the Dec./Jan. issue of Strait Talk. Let's keep our fingers crossed and wish George lots of luck this year.

Congratulations to George for reaching a huge milestone in his career - "25" Platinum Albums! Please read the story and see the photo on the front page of the newsletter. Nice job George!!!

We have had many calls about George's 2001 Tour, as we mentioned in the Aug./Sept. issue of Strait Talk, but no confirmed dates. We can tell you that the George Strait Country Music Festival will return for 2001. The #2 spot on the bill has been filled but we do not know who it is. We do know for sure that it is someone new. That is all we have been able to determine thus far. The management company is working very hard routing the tour. Discussions are ongoing with stadiums across the country as well as with Artist managers and agents. Keep a close eye on the website at www.georgestrait.com for any new information.

As you listen to the new George Strait CD, please check out the website at www.georgestrait.com for all the new items that we have in our general store. The site shows all the designs and colors of the new items as well as the rest of the catalog merchandise. With the holiday rapidly approaching we hope you find some of the Christmas items that you are shopping for. Please remember that all mail orders placed with personal checks take up to four weeks to process, package and ship to your home. Orders placed with a credit card on the website and the 800 number, as well as those that are placed by mail using a money order, are generally processed much faster. All packages come First Class Mail or UPS. Sorry No C.O.D.'s. You can place your order using our Toll Free number at 1-800-338-GSFC (4732). Please remember that they can only handle orders and address changes, as they have no other information available to them. If you would like to talk with a GSFC staff member to place or check on an order you can call the Fan Club desk at 1-615-824-7176. The desk is manned Monday through Friday from 8:30 a.m. to 4:30 p.m. CDT.

We would like to thank the Fan Club members that continue to send in photos, fan col-

lectable column info, letters and games. Remember, \$5.00 in Strait Cash, a collector's card and a Strait Talk newsletter will be mailed to you by First Class Mail if we use your item. You can use those Strait bucks for your Christmas shopping or for other purchases from our catalog.

The new User Name and Password for the membership only areas of the website are:

Remember to use lower case letters when entering into the members only areas of the website. Speaking of the website, please read the story elsewhere in the newsletter about some of the things that are being considered for the fan club in that area. A lot of potential ideas are on the drawing board. The website is an instant communication and we are working hard to make ours better.

We hope you have enjoyed this issue of Strait Talk and hope that you will watch the CMA Awards. Let us know what you think of the new George Strait CD when you hear it. Til December, stay healthy and Strait.
